How to cite Pofatu

To cite the database, please also reference its URL in text and in figure captions:
<https://pofatu.cild.org/>

Please also acknowledge the original scientists who contributed to the downloaded dataset by appropriately crediting the original data sources. We strongly encourage the publication of a secondary bibliography, which can be submitted as a supplementary material file.

How to contribute

We welcome all contributions of geochemical data on archaeological material, regardless of geographical or chrono-cultural boundaries.

In order to contribute data, please download and use our Data Submission Template **[hyperlink]** and Guidelines **[hyperlink]**
